ST. NICHOLAS

IS COMING TO TOWN

11th Annual Breakfast with St. Nicholas

Saturday, December 10, 2021
9:00 to 11:00 a.m.

Peace Lutheran Church
906 North California
Hastings, NE 68901

There is no charge for this event, but we kindly ask you to bring a donation of nickels for our Nickels for Nicholas drive. The money raised will be used to help families in need this holiday season. To ensure we have enough food and craft items, please call the church office for reservations, 402-462-9023.

Volunteers Needed!

Volunteers are needed for our 11th Annual Breakfast with St. Nicholas. It is our volunteers that make this event so successful. We need help serving breakfast. No cooking will be required.

We just need servers.

We also need volunteers to help the children with the craft projects.

We will be having a meeting for volunteers prior to the event so everyone will be informed of what we need to do. (Date of meeting to be determined.)

There is a sign-up sheet on the table in the Narthex. We hope you consider helping us out.

This is a very fun event and the joy in the children's faces is worth every minute.

If you have any questions, please contact Lisa Novak or Barb Hoins.
